APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0111 of a cubic foot per second, or 300 gallons per hour.

Actual construction work shall begin on or before May 23, 1917.

Proof of commencement of work shall be filed before June 23, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before May 23, 1917.

Application of water to beneficial use shall be made on or before May 23, 1918. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 23, 1918.

WITNESS MY HAND AND SEAL this 23rd, day

Cancelled [Signature] of November, 1916.

[Signatures] State Engineer.
